Sub: Request for forwarding letter to **District Education Officer/Mandal Education Officer** on conduct of 'National Science Talent Contest' and allow us to conduct exam on 19<sup>th</sup> August 2017, Saturday at different centers

Ref: Indian Association of Physics Teachers, Anveshika experimental science learning initiative by IIT, Kanpur prof HC Verma

It gives us great pleasure that '**National Anveshika Experiential Skill Test**' is jointly being conducted by **Vignana Bharathi, IAPT & IIT Kanpur** in India for the students class 9<sup>th</sup> to XII standards on 19<sup>th</sup> August, 2017 (Annexure - I).

In Telangana & Andhra Pradesh, Vignana Bharati has taken responsibility to coordinate this program. The program involves following steps:

- Screening level Test will be conducted at 14 centers in Telangana, the screening level test consists of showing experimental videos to students and students will answer the questions based on the video shown on projector
- For the screening level participation is allowed from 9<sup>th</sup> to 12<sup>th</sup> class students to register their names (maximum of 10 students per school are allowed) before 14<sup>th</sup> August 2017. There is "no registration fee" collected from the students
- The selected top 40 students from screening will be examined on experimental test which will be conducted in Hyderabad. The students will do the selected experiments and experts in science will examine the students.
- There will be state level science lab visits for the meritorious top level students selected in screening level and cash prizes awarded to the students
- The selected top two students will be allowed to compete with national level at IIT Kanpur in the month of September.
- Last three years, Telangana students could top at the national level

In view of the above we kindly seek your cooperation to reach the **student community in large number for the promotion of Experimental learning of science in India** and kindly instruct the respective District Education Officers allow teachers to participate in the program on 19<sup>th</sup> August 2017 at different centers of Telangana.

Your kind support will be highly appreciated.

Yours Sincerely  
GLN Murthy

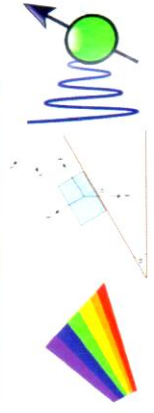

Coordinator

# National Anveshika Experimental Skill Test 2017

**NAEST 2017**

**Video Screening Test round 1 on 19th August 2017-**

Experiments will be shown and students answer the related questions

**Register on or before 14th August 2017**

**Eligibility : 9th, 10th, 11th and 12th classes (Intermediate) only (max 10 students per school or college)**

**Send Name, Class, School details to [vibha.anveshi@gmail.com](mailto:vibha.anveshi@gmail.com)**

**or SMS to local coordinator Phone .....**

**Selected students in round 1 will be eligible for state level prelims experimental test**

**state level shortlisted students will attend national level experiment test**

*Don't miss chance to win visit to science labs, Cash prizes, Recognition*

**Learn Through Experimentation**
