Date 1st July, 2019

To

Director of School Education,  
State Project Office, SCERT Premises,  
Hyderabad, A.P. 500 001.

Sub: Request for forwarding letter to District Education Officer/Mandal Education Officer on conduct of 'National Science Talent Contest'. And allow us to conduct exam on 10th August 2019, at different centers

Dear Sir/Madam.

It gives us great pleasure that 'National Anveshika Experimental Skill Test' is jointly being conducted by Vignana Bharathi, and IAPT in India for the students class **9 th to XII standards on 0th August, 2019** (Annexure - I).

In Telangana, Vidyana Bharati has taken responsibility to coordinate this program.

The program involves following steps:

- Screening level Test will be conducted at 30 centers in Telangana, the screening level test consists of **showing experimental videos to students and students will answer the questions based on the video** shown on projector
- For the screening level participation is allowed from 9th to 12th class students to register their names (maximum of 10 students per school are allowed) before 10th August 2018.
- There is "no registration fee" collected from the students
- The selected top ranked students from screening will be **examined based on actual Experiments they do.**
- The Prelims will be conducted in Hyderabad and other centers based on number of participants. The students will do the selected experiments and experts in science will examine the students.
- There will be state level science lab visits for the meritorious top level students, selected in screening level and cash prizes awarded to the students
- The selected top two students will be allowed to compete with national level at IIT Kanpur in the month of September.

**Last five years, Telangana students could top at the national level** and many of the toppers in the exam got best ranks in IIT entrance exam also.

In view of the above innovative examination need to be continued with your support, we kindly seek your cooperation to reach the student community in large number for the promotion of Experimental learning of science in India.

Kindly Encourage the respective District Education Officers allow teachers to participate in the program on 10 th August 2018 at different centers of Telangana.

Your kind support will be highly appreciated.

Request you to forward this request and DEOs and DSOs for the benefit of large section of the students

Yours Sincerely

GLN Murthy, State Coordinator, Vidyana Bharathi, Telangana,
